

22 Aug 2025 | 📅 Sprint 02 Planning

Attendees: Karabo Bopape Ammaarah Cassim Imaan Saloojee Raeesa Lorgat
Tariro Muvevi Zaneerah Essop

Sprint 02 Planning

Start Time: 20:00
End Time: 21:00
Venue: Google Meet

Notes

- High priority items: First three APIs,
 - Create guest list, send invites, track RSVPs manually.
 - Add and manage venues, vendors, and booking notes locally
 - Compare manually entered prices and availability.
 - Manually input schedule
 - Export as downloadable files or printable materials
- Medium priority items: Adding and Admin role
- Low priority items: Adding the floorplans, exporting in CSV format

Collaboration:

- Guest management: Imaan & Tariro
- Vendor & Venue Planning: Karabo and Raeesa
- Event BluePrint, APIs: Zaneerah and Ammaarah
