29 Aug 2025 | 🗓 Sprint 02 Meeting 3

Attendees: Zaneerah Essop Tariro Muvevi Raeesa Lorgat
Karabo Bopape Imaan Saloojee Ammaarah Cassim

Sprint 02 Meeting 3

Start Time: 10:00
End Time: 13:00
Venue: MSB, 1st floor

Notes
- Significant progress was made on key features, and most objectives are on track.
- Team members shared updates, demoed their work progress, and clarified any remaining questions on the spot.
- Next steps were confirmed, keeping the sprint on track.
- Major concern: Using firebase for hosting might have not been the best decision. It has some issues that can hinder progress.

Update on the action items, the following features are done:
- ☐ Event Data Post API
- ☐ Added a "Task Tracker" section in the planner dashboard wherein you can add and edit tasks
- ☐ Event management, vendor management tabs added to the planner dashboard under each created event.
- ☐ Upcoming events display for the event planners.
- ☐ Vendor management functionality is in progress
- ☐ Vendor API is in progress
