Sprint 03 Retrospective

Start Time: 20:30
End Time: 21:30
Venue: Google Meet

1. How would you describe sprint 3 in one word?
   - Ammaarah: Victorious
   - Imaan: Smooth
   - Karabo: Successful
   - Raeesa: Refreshing
   - Tariro: Uplifting
   - Zaneerah: Balanced

2. What was the most frustrating part of the sprint?
   - The team collectively agreed that there was no particular thing that was frustrating during this sprint. Instead a great comeback was made from sprint 02

3. What would you do differently?
   - Ammaarah: start with supabase from the get go
   - Imaan: make well use of our bug tracker on github in sprint 02
   - Karabo: Document processes more clearly
   - Raeesa: wish we could have figured out the jest issue earlier
   - Tariro: Celebrate small wins more often
   - Zaneerah: use vercel for deployment

4. What went well?
   - Everyone agreed that everything this sprint went well. We managed to fix all the issues we faced during the last of sprint 02 and made a great comeback.

5. What didn't go well?
   - There's nothing in particular that anyone could pin point and say that it didn't go well this sprint.

6. What can we improve?
   - Documentation.
